

## DISTRICT 11 REPORT/INDIANAPOLIS AND CINCINNATI

1. Conflicting 2016 date for the Cincinnati Regional and Lexington Spring Sectional: Cincinnati stated they are working hard to find a suitable venue for a June date. F/U at the Dayton Regional
2. Venue for Louisville/Lexington Regional: New venue for 2013 being considered is the Ramada Inn, Hurstborne. Contract is currently being worked on. Several issues to be resolved. We have not cancelled Horseshoe contract for 2013 yet nor 2014 and 2015.
3. Suggestion by Jade Barrett that all Regionals have a couple of two (2) session Swiss team games in the morning of Regionals. Each would be over a two day period.
4. Beth Reid noted that all Units need to review their insurance policy for Tournaments IF they have opted out of the ACBL liability insurance coverage. This is because ACBL has been sued. The technicality comes in where-by the ACBL policy states that spacing for each table and 4 chairs needs to be ten (10) sq. ft. If it is only 8-9 sq. ft. and someone trips and gets hurt, then there is a likely problem. We are OK because we have not opted out. We are covered by the \$1MM policy for inside the playing area and by the \$5MM liability policy that ACBL carries on all Units.
5. The Board voted to give A. J. Stephanie the OK to purchase the needed bidding boxes and replacement cards to bring our inventory up to the original 360.
